

Annual Governance and Accountability Return 2018/19 Part 2

To be completed only by Local Councils, Internal Drainage Boards and other smaller authorities* where the higher of gross income or gross expenditure was £25,000 or less, that meet the qualifying criteria, and that wish to certify themselves as exempt from a limited assurance review

Guidance notes on completing Part 2 of the Annual Governance and Accountability Return 2018/19

- Every smaller authority in England where the higher of gross income or gross expenditure was £25,000 or less **must** following the end of each financial year, complete Part 2 of the Annual Governance and Accountability Return in accordance with *Proper Practices*, unless the authority:
 - does not meet the qualifying criteria for exemption; or
 - does not wish to certify itself as exempt
- Smaller authorities where the higher of gross annual income or gross annual expenditure **does not exceed** £25,000 and that meet the qualifying criteria as set out in the Certificate of Exemption **are able to declare themselves exempt** from sending the completed Annual Governance and Accountability Return to the external auditor for a limited assurance review **provided** the authority **completes**:
 - The **Certificate of Exemption**, page 3 and returns a copy of it to the external auditor **either** by email or by post (not both); and
 - The **Annual Governance and Accountability Return (Part 2)** which is made up of:
 - **Annual Internal Audit Report (page 4)** to be completed by the authority's internal auditor.
 - **Section 1 – Annual Governance Statement (page 5)** to be completed and approved by the authority.
 - **Section 2 – Accounting Statements (page 6)** to be completed and approved by the authority.

NOTE: Authorities certifying themselves as exempt SHOULD NOT send the completed Annual Governance and Accountability Return to the external auditor.
- The authority **must** approve Section 1 Annual Governance Statement before approving Section 2 Accounting Statements and both **must** be approved and published on a website **before 1 July 2019**.

Publication Requirements

Smaller authorities **must** publish various documents on a public website as required by the Accounts and Audit Regulations 2015, the Local Audit (Smaller Authorities) Regulations 2015 and the Transparency Code for Smaller Authorities. These include:

- Certificate of Exemption, page 3
- Annual Internal Audit Report 2018/19, page 4
- Section 1 – Annual Governance Statement 2018/19, page 5
- Section 2 – Accounting Statements 2018/19, page 6
- Analysis of variances
- Bank reconciliation
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

Limited Assurance Review

Providing the authority certifies itself as exempt, and completes and publishes the Annual Governance and Accountability Return, there is **no** requirement for the authority to have a limited assurance review.

Any smaller authority may, however, request a limited assurance review. In these circumstances the authority should **not certify itself as exempt, and not complete the** Certificate of Exemption, but complete Part 3 of the Annual Governance and Accountability Return 2018/19 and return it to the external auditor for review together with the supporting documentation requested by the external auditor.

The cost to the smaller authority for the review will be **£200 +VAT**.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

For a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Part 2 of the Annual Governance and Accountability Return 2018/19, Sections 1 and 2

- An authority that wishes to declare itself exempt from the requirement for a limited assurance review must do so at a meeting of the authority after 31 March 2019. It should not submit its Annual Governance and Accountability Return to the external auditor. However, as part of a more proportionate regime, the authority **must** comply with the requirements of the Transparency Code for Smaller Authorities.
- The authority **must** comply with Proper Practices in completing Sections 1 and 2 of this Annual Governance and Accountability Return and the Certificate of Exemption. Proper Practices are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end.
- The authority **should** receive and note the annual internal audit report if possible prior to approving the annual governance statement and before approving the accounts.
- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed annual return. Any amendments must be approved by the authority and properly initialled.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness at the meeting at which it is signed off.
- You should inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant email addresses and telephone numbers.**
- It is recommended that the authority has numerical and narrative explanations for significant variances in the accounting statements on **page 6**, should a question be raised by a member of the public. There is guidance provided in the *Practitioners' Guide** that may assist.
- Make sure that the accounting statements add up and the balance carried forward from the previous year (Box 7 of 2018) equals the balance brought forward in the current year (Box 1 of 2019).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the approved accounts and accounting records can be inspected. Whatever period the RFO sets **must** include a common inspection period – during which the accounts and accounting records of all smaller authorities must be available for public inspection – of the first ten working days of July.
- The authority **must** publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2019**.

Certificate of Exemption – AGAR 2018/19 Part 2

To be completed by smaller authorities where the higher of gross income or gross expenditure did not exceed £25,000 in the year of account ended 31 March 2019, and that wish to certify themselves as exempt from a limited assurance review under Section 9 of the Local Audit (Smaller Authorities) Regulations 2015

There is no requirement to have a limited assurance review or to submit an Annual Governance and Accountability Return to the external auditor, **provided** that the authority has certified itself as exempt at a meeting of the authority after 31 March 2019 and a completed Certificate of Exemption is submitted notifying the external auditor.

MERTON PARISH COUNCIL

certifies that during the financial year 2018/19, the higher of the authority's gross income for the year or gross annual expenditure, for the year did not exceed **£25,000**

Annual gross income for the authority 2018/19:

£1,966

Annual gross expenditure for the authority 2018/19:

£970

There are certain circumstances in which an authority will be **unable to certify itself as exempt**, so that a limited assurance review will still be required. If an authority is **unable to confirm the statements below then it cannot certify itself as exempt** and it **must** submit the completed Annual Governance and Accountability Return Part 3 to the external auditor to undertake a limited assurance review for which a fee of **£200 +VAT** will be payable.

By signing this **Certificate of Exemption** you are confirming that:

- The authority has been in existence since before 1st April 2015
- In relation to the preceding financial year (2017/18), the external auditor **has not**:
 - issued a public interest report in respect of the authority or any entity connected with it
 - made a statutory recommendation to the authority, relating to the authority or any entity connected with it
 - issued an advisory notice under paragraph 1(1) of Schedule 8 to the Audit and Accountability Act 2014 ("the Act"), and has not withdrawn the notice
 - commenced judicial review proceedings under section 31(1) of the Act
 - made an application under section 28(1) of the Act for a declaration that an item of account is unlawful, and the application has not been withdrawn nor has the court refused to make the declaration
- The court has not declared an item of account unlawful after a person made an appeal under section 28(3) of the Act.

If you are able to confirm that the above statements apply and that the authority neither received gross income, nor incurred gross expenditure, **exceeding** £25,000, then the Certificate of Exemption can be signed and a copy submitted to the external auditor **either** by email **or** by post (not both).

The Annual Internal Audit Report, Annual Governance Statement, Annual Accounting Statements, an analysis of variances and the bank reconciliation plus the information required by Regulation 15 (2), Accounts and Audit Regulations 2015 including the period for the exercise of public rights still need to be fully completed and, along with a copy of this certificate, published on a public website* before 1 July 2019. **By signing this certificate you are also confirming that you are aware of this requirement.**

Internal Auditor's comments

Internal control objective B "This authority complied with its financial regulations, etc."

It appears that the parish council did not comply with section 9.10 of its financial regulations, which states that "When significant sums of cash or cheques are received during fundraising activities for the Village Hall, more than one person should be present when the cash/cheques are first counted." No paperwork has been provided to confirm that this was done for the money raised at the Village Get Together in 2018.

Recommendations:

1. That paragraph 9.10 of the financial regulations be reviewed and
 - a) A threshold be defined above which cash receipts must be counted by two people.
 - b) A requirement be inserted that signed and countersigned paperwork must be produced giving details of all cash receipts above this threshold
2. That the parish council consider carrying out an interim internal audit mid-way through the financial year, so that if correct procedures are not being followed this can be resolved more quickly.

Checking of minutes

Minutes of all parish council meetings have been agreed by the parish council, but the records show that on at least two occasions there have been errors in the minutes which have not been noticed by the parish councillors. All councillors should read minutes and financial documents carefully and attentively before agreeing that they are a true record.

Internal Audit 2019/20

Please note that I will not be available to act as Internal Auditor for 2019/20.

Explanation of significant differences (> 15%)

1. Balances B/F	3466	5657	Total Other Receipts and All Other Payments during 2017/2018 were both unusually large (see below #3 and #6). 2. Precept	1400	1400	N/A
3. Total other receipts	2283	596	In normal years the Parish Council income is composed solely of the Precept and a very small grant (currently £13 per year). 4. Staff Costs	0	0	N/A

WHAT EXEMPT AUTHORITIES NEED TO DO TO ADVERTISE THE PERIOD DURING WHICH ELECTORS AND INTERESTED PERSONS MAY EXERCISE RIGHTS RELATING TO THE ANNUAL ACCOUNTS

The [Local Audit and Accountability Act 2014](#) and the [Accounts and Audit Regulations 2015](#) require that:

1. The statement of accounts prepared by the authority (i.e. the Annual Governance & Accountability Return (AGAR) Part 2), the accounting records for the financial year to which the audit relates and all books, deeds, contracts, bills, vouchers, receipts and other documents relating to those records must be made available for inspection by any person interested, during a period of 30 working days set by the smaller authority and including the first 10 working days of July.

2. The period referred to in paragraph (1) starts with the day on which the period for the exercise of public rights is treated as having been commenced i.e. the day following the day on which all of the obligations in paragraph (3) below have been fulfilled.

3. The responsible financial officer for an exempt authority must, on behalf of that authority, publish **(which must include publication on the authority's website)**:

(a) the Accounting Statements (i.e. Section 2 of the AGAR Part 2), accompanied by:

(i) a declaration, signed by that officer to the effect that the statement of accounts will not be audited on account of that authority's self-certified status as exempt, unless either a request for an opportunity to question the auditor about the authority's accounting records under section 26(2) or an objection under section 27(1) of the Act, results in the involvement of the local auditor;

(ii) the Annual Governance Statement (i.e. Section 1 of the AGAR Part 2); and

(iii) the Certificate of Exemption (i.e. Page 3 of the AGAR Part 2); and

(b) a statement that sets out—

(i) the period for the exercise of public rights;

(ii) details of the manner in which notice should be given of an intention to inspect the accounting records and other documents;

(iii) the name and address of the local auditor;

(iv) the provisions contained in section 25 (inspection of statements of accounts etc), section 26 (inspection of documents etc) and section 27 (right to make objections at audit) of the Act, as they have effect in relation to the authority in question;

HOW DO YOU DO IT?

You will meet statutory requirements if you fully and accurately complete the notice of public rights pro forma in this document; and publish **(including publication on the smaller authority's website)** the following documents, the day before the public rights period commences:

- a. the approved Sections 1 and 2 of Part 2 of the AGAR; and
- b. the completed Notice of Public Rights and Publication of Annual Governance & Accountability Return (Exempt Authority). Please note that we have pre-completed it with the following **suggested** dates: Monday 17 June – Friday 26 July 2019. (The latest possible dates that comply with the statutory requirements are Monday 1 July – Friday 9 August 2019); and

LOCAL AUTHORITY ACCOUNTS: A SUMMARY OF YOUR RIGHTS

Please note that this summary applies to all relevant smaller authorities, including local councils, internal drainage boards and 'other' smaller authorities.

The basic position

The [Local Audit and Accountability Act 2014](#) (the Act) governs the work of auditors appointed to smaller authorities. This summary explains the provisions contained in Sections 26 and 27 of the Act. The Act and the [Accounts and Audit Regulations 2015](#) also cover the duties, responsibilities and rights of smaller authorities, other organisations and the public concerning the accounts being audited.

As a local elector, or an interested person, you have certain legal rights in respect of the accounting records of smaller authorities. As an interested person you can inspect accounting records and related documents. If you are a local government elector for the area to which the accounts relate you can also ask questions about the accounts and object to them. You do not have to pay directly for exercising your rights. However, any resulting costs incurred by the smaller authority form part of its running costs. Therefore, indirectly, local residents pay for the cost of you exercising your rights through their council tax.

The right to inspect the accounting records

Any interested person can inspect the accounting records, which includes but is not limited to local electors. You can inspect the accounting records for the financial year to which the audit relates and all books, deeds, contracts, bills, vouchers, receipts and other documents relating to those records. You can copy all, or part, of these records or documents. Your inspection must be about the accounts, or relate to an item in the accounts. You cannot, for example, inspect or copy documents unrelated to the accounts, or that include personal information (Section 26 (6) – (10) of the Act explains what is meant by personal information). You cannot inspect information which is protected by commercial confidentiality. This is information which would prejudice commercial confidentiality if it was released to the public and there is not, set against this, a very strong reason in the public interest why it should nevertheless be disclosed.

When smaller authorities have finished preparing accounts for the financial year and approved them, they must publish them (including on a website). There must be a 30 working day period, called the 'period for the exercise of public rights', during which you can exercise your statutory right to inspect the accounting records. Smaller authorities must tell the public, including advertising this on their website, that the accounting records and related documents are available to inspect. By arrangement you will then have 30 working days to inspect and make copies of the accounting records. You may have to pay a copying charge. The 30 working day period must include a common period of inspection during which all smaller authorities' accounting records are available to inspect. This will be 1-12 July 2019 for 2018/19 accounts. The advertisement must set out the dates of the period for the exercise of public rights, how you can communicate to the smaller authority that you wish to inspect the accounting records and related documents, the name and address of the auditor, and the relevant legislation that governs the inspection of accounts and objections.

The right to ask the auditor questions about the accounting records

You should first ask your smaller authority about the accounting records, since they hold all the details. If you are a local elector, your right to ask questions of the external auditor is enshrined in law. However, while the auditor will answer your questions where possible, they are not always obliged to do so. For example, the question might be better answered by another organisation, require investigation beyond the auditor's remit, or involve disproportionate cost (which is borne by the local taxpayer). Give your smaller authority the opportunity first to explain anything in the accounting records that you are unsure about. If you are not satisfied with their explanation, you can question the external auditor about the accounting records.

The law limits the time available for you formally to ask questions. This must be done in the period for the exercise of public rights, so let the external auditor know your concern as soon as possible. The

advertisement or notice that tells you the accounting records are available to inspect will also give the period for the exercise of public rights during which you may ask the auditor questions, which here means formally asking questions under the Act. You can ask someone to represent you when asking the external auditor questions.

Before you ask the external auditor any questions, inspect the accounting records fully, so you know what they contain. Please remember that you cannot formally ask questions, under the Act, after the end of the period for the exercise of public rights. You may ask your smaller authority other questions about their accounts for any year, at any time. But these are not questions under the Act.

You can ask the external auditor questions about an item in the accounting records for the financial year being audited. However, your right to ask the external auditor questions is limited. The external auditor can only answer 'what' questions, not 'why' questions. The external auditor cannot answer questions about policies, finances, procedures or anything else unless it is directly relevant to an item in the accounting records. Remember that your questions must always be about facts, not opinions. To avoid misunderstanding, we recommend that you always put your questions in writing.

The right to make objections at audit

You have inspected the accounting records and asked your questions of the smaller authority. Now you may wish to object to the accounts on the basis that an item in them is in your view unlawful or there are matters of wider concern arising from the smaller authority's finances. A local government elector can ask the external auditor to apply to the High Court for a declaration that an item of account is unlawful, or to issue a report on matters which are in the public interest. You must tell the external auditor which specific item in the accounts you object to and why you think the item is unlawful, or why you think that a public interest report should be made about it. You must provide the external auditor with the evidence you have to support your objection. Disagreeing with income or spending does not make it unlawful. To object to the accounts you must write to the external auditor stating you want to make an objection, including the information and evidence below and you must send a copy to the smaller authority. The notice must include:

- confirmation that you are an elector in the smaller authority's area;
- why you are objecting to the accounts and the facts on which you rely;
- details of any item in the accounts that you think is unlawful; and
- details of any matter about which you think the external auditor should make a public interest report.

Other than it must be in writing, there is no set format for objecting. You can only ask the external auditor to act within the powers available under the [Local Audit and Accountability Act 2014](#).

A final word

You may not use this 'right to object' to make a personal complaint or claim against your smaller authority. You should take such complaints to your local Citizens' Advice Bureau, local Law Centre or to your solicitor. Smaller authorities, and so local taxpayers, meet the costs of dealing with questions and objections. In deciding whether to take your objection forward, one of a series of factors the auditor must take into account is the cost that will be involved, they will only continue with the objection if it is in the public interest to do so. They may also decide not to consider an objection if they think that it is frivolous or vexatious, or if it repeats an objection already considered. If you appeal to the courts against an auditor's decision not to apply to the courts for a declaration that an item of account is unlawful, you will have to pay for the action yourself.
